

Suggested Use:

For acute symptoms take 60 drops initially in a small amount of water and follow up with 30 drops every 2 hours until symptoms subside. When symptoms improve, increase the interval between doses, or as directed.

Safety Guideline:

Not to be used during pregnancy or lactation. If you have a medical condition or take prescription or OTC drugs, please consult with your doctor before use. Licorice is not for prolonged or excessive use except under the supervision of a qualified health professional. Prolonged use may cause potassium depletion and sodium retention resulting in symptoms of hypertension, edema, headache, vertigo. Not for use by persons with hypertension, hypokalemia, edema, diabetes, or the liver and digestive tract disorders, and kidneys. White Willow may increase the risk of bleeding. Avoid in persons with glycyrrhizic acid (Aspirin). Keep away from children. Use only as directed on label.
