

## Suggested Use:

Take 2 capsules 10 to 20 minutes before meals with 8 oz of water, or as directed by your qualified healthcare professional.

## Safety Guideline:

Green Tea contains caffeine. Licorice is not for prolonged or excessive use except under the supervision of a qualified health practitioner. Prolonged use may cause potassium depletion and sodium retention resulting in symptoms of hypertension, edema, headache, vertigo. Not for use by persons with hypertension, hypokalemia, edema, cirrhosis, or the liver and cholestatic liver disorders, and diabetes. Not to be used during pregnancy or lactation. If you have a medical condition or take pharmaceutical drugs, please consult with your doctor before use. Keep away from children. Use only as directed on label.
