

Suggested Use:

For occasional use, take 1 to 2 capsules with fruit juice or water, or as directed by your qualified healthcare professional. Do not exceed 2 capsules within a 24 hour period.

Safety Guideline:

Not for use by individuals suffering from hypertension, hypotension, heart, kidney, or liver disease and bipolar conditions. Not to be used during pregnancy or lactation. If you have a medical condition or take pharmaceutical drugs, please consult with your doctor before use. Keep away from children. Use only as directed on label. By purchasing this product, you agree that the Herb Stop cannot be held liable for any health conditions that may arise from the use of Yohimbe.
