CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, giving product to children, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision.

Keep out of reach of children. Store in a cool, dry place. Do not use if safety seal is broken or missing.

ESTIMATED MINIMUM FILL
The density of the powdered ingredients in this product naturally vary from lot to lot and require space in the container at the time of packaging. Over time, the powders settle, causing the container to appear less full than when it was first packaged. This product is sold by weight and not by volume.

Made without dairy or soy ingredients, added sugar, filler ingredients, or artificial colors, flavors or preservatives. Manufactured in a facility that also processes egg, milk, soy, wheat, fish and tree nuts. May contain traces of soy due to agricultural practices.
