

**USAGE:** Take 1 softgel up to 4 times per day with food or as directed by your qualified healthcare professional.

**Q-absorb®** is a completely natural proliposome lipid-soluble delivery system clinically shown in humans to increase Co-Q10 levels 200% (3x) over baseline and at least 40% higher than dry capsules.\*

Co-Q10 supports heart function as a component of the electron transport system needed for ATP (i.e., energy) production within the cells, and as an antioxidant protects mitochondrial membranes and cholesterol from oxidation.\*

**Jarrow Formulas® Q-absorb®** restores Co-Q10 levels reduced by the use of statins.\*

**Jarrow Formulas® Co-Q10** is derived from fermentation and consists only of the natural trans configuration, the same as is synthesized in the human body. **Jarrow Formulas®** supports clinical research on Coenzyme Q10.

Keep out of the reach of children.
