

RM-10[®] is a combination of 10 organically grown tonic mushrooms that have been specially selected for their superior genetic heritage and then carefully cultivated to ensure they maintain their integrity and potency.

This proprietary blend is synergistically balanced with Cat's Claw and fermented selenium, a highly absorbable form of selenium. Selenium supports immune cell function and response.¹

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, giving product to children, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision.
