VitaSorb™ takes daily supplements to a whole new level with our new **Fast Dissolves**. Simply place a fast dissolve tablet on your tongue and feel the tablet disintegrating rapidly, usually in a matter of seconds. With our advanced **VitaSorb™ Nutrient Absorption System**, there are no more common absorption problems or partially dissolved capsules and tablets that your body can't use. A full 100% of your dietary supplement goes to work instantly for you. Some regular tablets and caplets can take over 20 minutes to breakdown in the stomach.

VitaSorb™ Fast Dissolves have been formulated to smoothly melt in your mouth with great tasting flavors and no unpleasant aftertaste. **VitaSorb™ Fast Dissolves** are an ideal solution for seniors, and those who have trouble swallowing. Plus, they're perfect for active, busy adults who are traveling and since you don't need water you can take them with you wherever you go.

Try our Entire Line of VitaSorb™ Fast Dissolves and Enjoy Good Health!

Vitamin B-12 is an important vitamin for the normal formation of red blood cells and the health of nerve tissues. Often referred to as the "Energy Vitamin", it supports energy metabolism and a healthy nervous system.*

Your body depends upon B-12 for promoting normal energy levels and immune function, sound sleep, mental alertness, heart health, cell growth and repair, and normal metabolism.* Without enough B-12, your body struggles to convert the carbohydrates and fats you eat into fuel for energy.* Your circulation, adrenal hormone production, nervous system health, positive mood, memory, and mental clarity are all potentially at risk when you run low on Vitamin B-12.* As you age, your body loses its ability to absorb B-12.

VitaSorb™ B-12 Fast Dissolves deliver 10,000 mcg of Vitamin B-12 to support energy production and a healthy nervous system in a great tasting cherry flavored tablet with **VitaSorb™** technology to help promote fast absorption.*
