

At Core Nutritionals, a meal is well-balanced, nutritious, and most importantly, delicious. Yet most "meal supplements" are full of filler carbohydrates, low-grade proteins, and chalky flavor mixtures that have little taste and even less nutrition. We would hate to see the "meals" these supplements are supposedly substituting!

Core MRP is a better solution -- a true meal supplement, not a meal imposter. Grain-sourced carbohydrates, not fillers and high glycemic carbohydrates. Rich protein sources from high quality whey and casein, not bottom-of-the-barrel powders. Premium flavors, digestive enzymes, and vitamins and minerals from real whole foods, not whatever else was lying around. Everything your body needs in an instantized, easy-mixing, convenient, and delicious blend.

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Discontinue use and consult your health care professional if you experience adverse reaction to this product. Do not exceed recommended serving. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Add 2 scoops to 8-15 ounces of cold water (according to preferred thickness and flavor) and shake or stir until mixed. 3 scoops can be used if more macronutrients are required. Core MRP also tastes great as a pudding; just add enough water to turn it into pudding consistency, stir together with a spoon, and place in a refrigerator or freezer for 20 minutes. Core MRP is also suitable for use in baking.
