

**Nutritional Support for
Colon and Cardiovascular Health, Muscle Strength and Recovery.†**

Almonds are among the healthiest foods on Earth. So, it's not surprising that almond protein is regarded by athletes and health experts as a superior source of highly absorbable protein with many benefits. Almond protein is particularly helpful in promoting colon and cardiovascular health, and improves the strength, growth and recovery of muscles. Supplying 15 grams of protein and 2.5 grams of healthful almond fatty acids, **NaturesPlus® Organic Almond Protein** delivers the revitalizing nutrition you need to power your day and keep your body healthy!†

Almonds are one of the world's best-tasting vegan protein sources, adding great flavor to your day, breakfast, lunch, dinner or anytime you need an energy boost. Supercharged with protein energy-liberating enzymes, **NaturesPlus Organic Almond Protein** gives you all the natural benefits of protein without any artificial additives. Each serving delivers the surge of vitality your body craves!†

NaturesPlus Organic Almond Protein promotes health and vitality and fits perfectly into your everyday dietary routine!†

- Protein That Delivers All Essential Amino Acids†
- Suitable for Low-Glycemic Diets†
- Vegan, Gluten Free, Soy Free
- Supercharged with Protein Energy-Liberating Enzymes!
