At Core Nutritionals, efficiency is a philosophy and guiding principle – something we put into everything we do as a company because it's important to everything you do as an athlete.

Core Nutritionals' Core PRO is no different. As an innovative, clinical-strength, and sustained-released protein formula, Core PRO provides your body the fuel it needs, when it needs it. Comprised of an advanced mixture of fast-uptake and sustained-release proteins, our non-proprietary blend of protein sources optimizes your growth and recovery with a targeted approach to protein kinetics, synthesis, and metabolism. Further enhanced by a powerful digestive enzyme blend and an amino ratio clinically-verified as superior, Core PRO is a metabolically-complete growth solution.*

At the same time, Core PRO does not sacrifice taste for quality. With gourmet flavors that are second to none and a silky-smooth texture, Core PRO is the best tasting, highest quality protein supplement available.†

⚠ **WARNING:** Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Immediately discontinue use and consult your health care professional if you experience adverse reaction to this product. Do not exceed recommended serving. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Add 1 scoop to 6-8 ounces of cold water and shake or stir until mixed.
