**Essential Amino Acids

Contains 8 of 9 Essential Amino Acids

100% Collagen Peptides from Wild-Caught Cold Water White Fish in North America.

Not a significant source of protein. Collagen protein does not count toward the FDA-recommended Recommended Daily Value for protein because it lacks one essential amino acid: tryptophan.

Warning: If you are pregnant, nursing, allergic, have a medical condition, or are taking any medications, consult a doctor before using this or any other dietary supplement.

Allergen warning: Fish (White Fish).

Notice: Use this product as a food supplement only. Do not use for weight reduction.

Color and odor may vary from lot to lot.

This product is manufactured in a facility that processes fish and tree nuts.
