

NutriBiotic® Organic Rice Protein is an excellent source of high quality, vegan protein powder providing an extensive array of naturally occurring amino acids, the building blocks of protein.

Boost your nutrition and energy with this wholesome, protein formula!

NutriBiotic Organic Rice Protein is produced by means of a unique enzyme process. A proprietary blend of plant enzymes is used to separate the fiber and carbohydrates from the protein portion of the whole grain, brown rice. *Due to the enzyme process, color, taste, and texture may vary.* NutriBiotic Rice Protein is made without artificial flavors, artificial sweeteners, artificial colors, chemicals, pesticides, herbicides, PCBs, MSG, preservatives, milk, eggs, soy, yeast, wheat, corn, and nuts.

**Certified Organic • Certified Kosher
Gluten & GMO Free***
