

NutriBiotic® Organic Vanilla Rice Protein is a high quality, low carbohydrate, vegan protein powder. This easily digestible protein provides an extensive array of naturally occurring amino acids, the building blocks of protein.

Boost your nutrition and energy with this wholesome, protein rich formula!

NutriBiotic Organic Rice Protein is produced by means of a unique enzyme process. A proprietary blend of organic plant enzymes are used to separate the fiber and carbohydrates from the protein portion of the organic, whole grain, sprouted brown rice. Low temperatures used during processing prevent denaturing of the amino acids. NO CHEMICALS are used at any time. *Due to this enzyme process, color, taste, and texture may vary.*

Certified Organic • Certified Kosher • Gluten & GMO Free
Made without pesticides, herbicides, PCBs, preservatives, soy, milk, eggs, yeast, wheat, corn, and nuts.

Naturally Occurring Amino Acids Per 15 g Serving

Alanine	690 mg	Isoleucine *	510 mg	Threonine *	450 mg
