

Ultra Isoflavone 100® is a maximum-strength isoflavone supplement with a broad spectrum of isoflavones, including Genistein, Daidzein & Puerarin. The superior isoflavones in this unique formula promote breast, ovarian and uterine health in women and prostate health in men. They also support healthy heart function and bone density. Most importantly, these isoflavones have been shown to promote healthy immune defenses, with noteworthy effects in postmenopausal women.*

Free from artificial colors and artificial preservatives.
