Keep out of reach of children. Protect from light.

Harvested from the fresh deep waters of the Antarctic. Futurebiotics® Antarctic Krill Oil naturally provides Omega-3 fatty acids EPA and DHA, as well as the powerful antioxidant, known as Astaxanthin. By pairing up these two natural ingredients. Futurebiotics Antarctic Krill Oil with Astaxanthin supports healthy cardiovascular function / joints and mobility.* Tested & verified for purity, Futurebiotics Antarctic Krill Oil is 100% pure krill oil and only uses superior sourced krill that is consistently harvested from the cold waters of the Antarctic.
