

USAGE: Take 1 tablet per day with food or juice or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Jarrow Formulas® Resveratrol Synergy® brings together resveratrol (3,4',5-trihydroxystilbene) and other powerful antioxidants resulting in a potent synergistic formula that supports the cardiovascular system.* Pterostilbene, also known as dimethylresveratrol, is a methylated naturally-occurring form of resveratrol. Methylation greatly improves intestinal and cellular uptake of this nutrient while reducing excessive liver clearance.

Suitable for vegetarians/vegans.
Keep out of the reach of children.
