

Acai QuickBurn™ is a maximum-strength thermogenic fat burning supplement comprised of the highest-quality all-natural ingredients that are known for their proven weight loss benefits. The powerful natural formula in Acai QuickBurn™, which includes Acai Berry, Garcinia Cambogia, and Green Tea Extract, is designed to boost metabolism, suppress appetite, increase energy, and burn fat quickly and effectively - all without the sort of dangerous and unnatural ingredients that are found in other weight loss pills.

Directions: Take 2 capsules twice per day with a full glass of water. Take the first dose immediately upon waking, and wait at least 20 minutes before eating anything. Take the second dose mid-afternoon, at least 20 minutes before eating a meal. Do not take within 4 hours of bedtime.
