

Description: Vivid Health Nutrition High Potency B12 utilizes the highest-quality, most bioavailable form of vitamin B12 (Methylcobalamin) on the market, in a quick-dissolving, fast-acting sublingual tablet, providing significantly higher absorption and retention of B12 and greater benefits than other forms of B12 found in competing formulas. In addition, Vivid Health Nutrition High Potency B12 is 100% safe for vegans and vegetarians, and is manufactured in a GMP-certified, FDA-Registered facility while being held to the most stringent safety standards.*
