

USAGE: Take 1 capsule 1 to 3 times per day on an empty stomach or as directed by your qualified health care consultant. For long term maintenance, take 1 capsule twice a day.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your health care practitioner before using this product.

Heavy Metal Detox contains **PectaSol® Chelation Complex**, a complex of modified polyuronide dietary fibers (citrus pectin and alginate) that have been specifically designed to tightly bind heavy metals and increase their clearance from the body while having a reduced affinity for most nutritionally essential elements.* PectaSol's modified citrus pectin (MCP) has a unique chemical structure and optimized molecular weight that allows for maximized absorption, systemic chelation of toxic metals, and facilitation of their removal.* PectaSol's modified alginate complements MCP by chelating toxic metals within the digestive tract and preventing their reabsorption.*

Naturally occurring lead is chemically bound within the chelation complex.

Suitable for vegetarians/vegans.

Keep out of the reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

PectaSol® is a registered trademark of EcoNugenics, Inc., and is protected by U.S. Patent # 6,462,029.
