

**USAGE:** Chew 1 to 6 tablets before or after exercise or as directed by your qualified healthcare professional.

**Ribose** is one of the necessary building blocks for the formation of ATP, the “universal” energy molecule in the body.\* Physical stress can deplete ATP stores in cardiac and skeletal muscles. As the rate-limiting substrate in the synthesis of nucleotides, including ATP, ribose plays a vital role in replenishing ATP, thus, enhancing energy production, improving muscle recovery, and thus Muscle Edge®.\*

**Jarrow Formulas® Bioenergy Ribose®** is made by microbial fermentation and protected by U.S. patents 6,159,942, 6,534,480, 6,218,366, and 6,339,716.

**Keep out of the reach of children.**
