

Directions: As a dietary supplement, take one capsule daily or as directed by a healthcare practitioner.

Bluebonnet's Grape Seed Extract Vegetable Capsules are derived from Champagne grape seeds imported from France. These special grape seeds are turned into an extract known as Leucoselect® which is standardized to 95% total polyphenols including oligomeric proanthocyanidins, monomeric polyphenols and flavonoids. These potent active constituents help support circulatory health and protect against the damaging effects of free radicals. ♦

Leucoselect® is a registered trademark of Indena S.p.A

CAUTION: Consult your healthcare practitioner prior to using this product if you are taking medication, particularly NSAIDs, or have a medical condition.
