

Serrapeptase is a potent proteolytic enzyme which breaks down unwanted proteins in the body.* Taken in the fasted state, it affects mucosal viscosity to support respiratory and immune health.*

WARNING: Consult with a health care professional before use and/or if you are pregnant, lactating, or undergoing treatment for a medical condition. Do not exceed recommended dosage. Discontinue use if any adverse reactions occur and contact a health care professional. Do not use if seal under cap is broken or missing. Store tightly closed in a cool, dry place. **KEEP OUT OF REACH OF CHILDREN.**
