

**Greater Muscle Pumps • Insane Energy
Less Fatigue • Better Mental Focus**

Do not accept if seal is broken. Product No. 02901

Store in a cool dry place. Keep out of the reach of children.

Your Best Pre-Workout Pump Ever

2 Methyl 13-C™ is readily absorbed and utilized through just one enzymatic process (as opposed to ordinary NO₂ boosters which must go through six) for a quick and direct effect. NO₂ metabolites for greater muscle pumps and maximum cell volumizing.

More Creatine Benefits

2 Methyl 13-C™ utilizes steroid beta 2 adrenergic receptors for better creatine uptake, promotes creatine utilization and insulin release, increases creatine stores, reduces creatine inhibitors.

Proprietary Formula

This is the first and only product of its kind available today. 2 Methyl 13-C™ provides a revolutionary new form of creatine believed to be far superior to all others.**

This product contains stimulants. Individuals who are sensitive to the effects of caffeine or have a medical condition should consult a health care professional before consuming this product. Not for use by anyone under the age of 18. Do not use this product if you are pregnant or nursing. Consult a physician or licensed health care professional before using this product if you have, or have a family history of, heart disease, thyroid disease, diabetes, high blood pressure, depression or other psychiatric condition, glaucoma, difficulty in urinating due to prostate enlargement or seizure disorder, or if you are using a monoamine oxidase inhibitor (MAOI) or any other dietary supplement, prescription drug, or over-the-counter drug containing ephedrine, pseudoephedrine, or phenylpropanolamine (ingredients found in certain allergy, asthma, cough or cold and weight control products). Do not exceed recommended serving. Exceeding recommended serving may cause adverse health effects. Discontinue use and call a health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath or similar symptoms. For use in healthy adults only.
