OUR STORY

When you love someone, you do everything in your power to protect them. I thought I was keeping my family safe by using common pest control products to protect them. But when my dog Luna became ill, I knew there had to be a better way.

I founded Wondercide to protect families, pets, and homes with non-harsh formulas. Today, our products protect packs of every kind, everywhere.

Stacie & Luna

MORE BENEFITS No DEET • Non-GMO
No Synthetic Fragrances • No BPA • No Parabens
No Petro Chemicals • No Phthalates • No Alcohol
Non-Staining • Pleasant Scent from Essential Oils
