## calcium plus

Essential for maintaining strong bones and healthy teeth<sup>†</sup>

Supports cardiovascular health<sup>†</sup>

Promotes normal enzyme and hormone regulation<sup>†</sup>

Adequate calcium throughout life, as part of a well-balanced diet, may reduce the risk of osteoporosis

Weight: 10.5 oz. (300 g) An Isotonic-Capable Dietary Supplement

Directions for use: Pour 1 level, white bottle capful of powder into the overcap. Add water to the line on the overcap (2 fl. oz./60 mL) and stir. As a dietary supplement for adults, this product is best taken twice daily, 1 capful in the morning and 1 capful in the evening, or as directed by your healthcare provider. Children ages 9 and older may take 1 capful daily, or as directed by your healthcare provider. Maximum absorption occurs when taken on an empty stomach. This product is isotonic only if the specified amounts of powder and water are used.

**WARNING:** If you are using any prescription drugs, have an ongoing medical condition, or if you are pregnant or breastfeeding, you should consult your healthcare provider before using this product.

This vegetarian product contains no added wheat, soy, yeast, gluten, artificial flavor, starch, salt, preservatives or milk.

**KEEP OUT OF THE REACH OF CHILDREN.** Store in a cool, dry place. Do not use if safety seal is broken or missing.

<sup>†</sup>These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
