† Daily Value not established.

Other Ingredients: Microcrystalline Cellulose, Modified Cellulose (Veggie Capsule), Magnesium Stearate (Non-GMO Vegetable Source), and Silicon Dioxide (Silica).

This product is not manufactured with milk, eggs, fish, crustacean shellfish, tree nuts, peanuts, wheat, soy, sesame, or gluten. Produced in a third-party, audited and registered cGMP compliant facility that may process other products that contain these allergens or ingredients.

Warnings: Keep out of reach of children. Consult with a qualified healthcare professional prior to taking dietary supplements.

Individually Double-Foil Blister Sealed for quality and your protection. Do not use if Blister Pack material is punctured or missing.

¹Room Temperature, Shelf-Stable: Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). Extended exposure to higher than recommended storage temperatures may cause product degradation and the reduction of live and active probiotic bacteria. Potency guaranteed until expiration date when stored in a cool, dry place at 77°F (25°C) or below. Refrigeration is not required, but highly recommended.¹

²In Vitro studies conducted by probiotic raw material supplier.

This product has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
