

Our room temperature, shelf-stable<sup>1</sup> LactoBif® is ideal for traveling when refrigeration is not readily available. Our Veggie Capsules are individually, double-foil blister sealed to help ensure shelf stability.<sup>1</sup>

<sup>1</sup> Room Temperature, Shelf-Stable: Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). Refrigeration is not required, but highly recommended. Extended exposure to higher than recommended storage temperatures may cause product degradation and the reduction of live and active probiotic bacteria. Potency guaranteed until expiration date when stored in a cool, dry place, at 77°F (25°C) or below.

<sup>2</sup> In Vitro studies conducted by probiotic raw material supplier.
