

Suggested Usage: Take 1 softgel daily with food. Best when taken as directed by a qualified healthcare professional.

The ultra-concentrated Fish Oil used in our Omega 800 softgels is manufactured under strict quality control standards. It is tested to be free of potentially harmful levels of contaminants (e.g., heavy metals [mercury], PCB's, dioxins, and other contaminants).

Our fish oil is concentrated, purified and processed in Germany to the highest industry standards. Our soft gelatin capsules are made from fish gelatin and manufactured in California, USA.

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

Warnings: Keep out of the reach of children. Consult with a licensed physician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements.

Sealed for your protection. Do not use if seal is missing or broken. Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). Improper storage conditions, such as extended exposure to direct sunlight, high heat & humidity can cause product degradation over time.
