SYNTHA-6™

AN ULTRA-PREMIUM LEAN MUSCLE PROTEIN POWDER

Naturally & Artificially Flavored
CHOCOLATE
MILK SHAKE

ULTRA-PREMIUM PROTEIN. ULTRA-PREMIUM TASTE.™

SYNTHA-6™ PRODUCT HIGHLIGHTS:

- Multi-Functional Micellar Protein Matrix
- Bioactive Protein Utilization Enzymes A'Zorb (Papain and Bromelain)
- Aspartame Free
- BCAAs and other Essential and Non-Essential Amino Acids
- MCTs, EFAs, Glutamine Peptides, and Fiber

BSN'S EXCLUSIVELY ENGINEERED PRECISION NUTRITION TECHNOLOGY! A.K.A. "NUTRIENT TIMING WINDOWS"

The science of taking full advantage of the most critical "NUTRIENT TIMING WINDOWS" is a key factor in BSN's pursuit of developing cutting-edge physique and performance-enhancing products. Engineered to activate a physiological chain reaction during the most beneficial and crucial "NUTRIENT TIMING WINDOWS," BSN's products are conditionally essential for accelerating optimal physique gains, performance, recovery and nutrient super-compensation. This provides individuals with the vital advantage needed to help take their physique and performance to the next level.*

NOTE: Always read all product labels prior to stacking any PRODUCTS together.

This category involves ingesting bioactive food ingredients and key nutrient ingredients for the activation of anabolism, anti-catabolism, focus, strength, performance, endurance, and energy approximately 30 minutes prior to a training session.*

BSN's Products for this category consist of: N.O.-XPLODE™, ENDORUSH®, ATRO-PHEX®, and THERMONEX™

This category involves ingesting bioactive food ingredients and specially formulated nutrient compounds for the activation of anabolism, anti-catabolism, focus, strength, endurance, performance, energy, myocellular expansion, nutrient super compensation, electrolyte replenishment and hydration during any type of training session.*

BSN's Products for this category consist of: VOLUMAIZE® and ENDORUSH®

This category involves ingesting bioactive food ingredients and specific nutrient protocols for the activation of anabolism, anti-catabolism, recovery, myocellular expansion, replenishment of high-energy compounds and super-compensation nutrients following a training session.*

BSN's Products for this category consist of: CELLMASS®, TRUEMASS®, SYNTHA-6™, and LEAN DESSERT PROTEIN™

This category involves ingesting foods and bioactive designer nutrients at precise times throughout the day, which lends itself to the activation of hormonal support, thermogenesis, weight management, energy, focus, recovery, anabolism, anti-catabolism, calorie control, caloric support and enhanced nutrient delivery.*

BSN's Products for this category consist of: NITRIX®, SYNTHA-6™, LEAN DESSERT PROTEIN™, TRUE MASS®, AXIS-HIT™, ATRO-PHEX®, THERMONEX™, ENDORUSH®, and CHEATERS RELIEF™

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Stack with NITRIX®, N.O.-XPLODE™, CELLMASS®, and ATRO-PHEX® for maximum physique and performance impact.

DESIGNED FOR: Any individual who wants an ultra-premium protein powder to help them reach their nutritional and physique goals.

RECOMMENDED USE FOR MALES: Take 1-2 scoops (equaling approx. 22-44 grams of protein) with 4-5oz. to 8-10 oz. of cold water or any beverage of your choice respectively. Use approximately 4-5 oz of liquid per 1 scoop of powder. Vary the amount of liquid to achieve your desired flavor and consistency. Drink 1-4 servings daily, or as needed to satisfy your protein or muscle enhancing requirements. To increase your protein intake per serving and to achieve an amazing milk shake taste, use non-fat or low fat milk.

RECOMMENDED USE FOR FEMALES: Take 1 scoop (equaling approx. 22 grams of protein) with 4-5 oz. of cold water or any beverage of your choice. Vary the amount of liquid to achieve your desired consistency. Drink 1-4 servings daily, or as needed to satisfy your protein or body shaping requirements. To increase your protein intake per serving and to achieve an amazing milk shake taste, use non-fat or low fat milk or your favorite soy beverage.

SYNTHA-6™ supports the following segments of the BSN Supplement Pyramid™: Nutrition Support, Muscle Support, and Weight Management. For more information visit www.BSNonline.net.
