

A DIETARY SUPPLEMENT

USP GRADE TRI-SALTS is a nutritional supplement especially designed to neutralize increased acidity. † This unique buffering agent contains nutritionally significant amounts of the essential macrominerals calcium, magnesium and potassium as carbonates and bicarbonates without sodium or other salts. The minerals used in this product are of USP grade quality and are well tolerated by the most sensitive individuals. † The Tri-Salts may be mixed with Vitamin C crystals and the pH adjusted according to individual needs.

†This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
