

Organic Wheat Grass

Our whole leaf wheat grass is grown and harvested only once a year allowing the root system to grow deep and capture an abundance of rich nutrients at levels not typically found in traditional green vegetables. We harvest at peak nutrition and cut only the tips of the grass ensuring mother nature's best is in every tablet to help you feel **amazing** every day.

Our organic wheat grass is whole leaf, not juiced, maintaining nutritious fiber.

- Farm Family Roots -

Our roots run deep, back to a 3rd generation family farm in Kansas. Today, we continue to use organically grown, nutrient rich cereal grasses grown on U.S. family farms and craft them with high quality, plant-based ingredients from around the world.

**Honestly Grown.
