

## Amazing Trio Barley Grass, Wheat Grass & Alfalfa

Our whole leaf cereal grasses are field grown on organic family farms in the U.S.A. We harvest these green superfoods at peak nutrition in order to capture an abundance of rich nutrients not typically found in traditional green vegetables. Each nutritious scoop provides your body with the whole food nutrition it needs to help you feel *amazing* every day.

Our organic Amazing Trio powder is whole leaf, not juiced, maintaining nutritious fiber. One scoop is the nutritional equivalent of more than 10 shots of tray-grown wheat grass.

### - Farm Family Roots -

Our roots run deep, back to a 3rd generation family farm in Kansas. Today, we continue to use organically grown, nutrient rich cereal grasses grown on U.S. family farms and craft them with high quality, plant-based ingredients from around the world.
