

African Mango Seed Extract

Net Wt
1 lb (454 g)

Our African Mango Seed Extract Powder is a 10:1 ratio meaning each serving is 10 times more concentrated than the whole food. The african mango tree is found throughout the tropical forests of Africa and is also cultivated on farms in central and western Africa. The ripe fruit is green while the edible mesocarp is soft, juicy, and bright orange.

Suggested Use:

Mix 1/2 teaspoon with juice or water 30 minutes prior to each meal.
