

CAT'S CLAW BARK POWDER

IMMUNITY | JOINTS | HEALTHY INFLAMMATION

Net Weight: 1 lb (454 g)

CAT'S CLAW BARK POWDER

Originating deep in the Amazon rainforest, Cat's Claw is a lush tropical vine that has served an important role in herbal medicine for centuries in South and Central America. Traditionally Cat's Claw was used to support the immune system, joint health, and a healthy inflammation response. Cat's Claw powder is best served brewed as a tea, added to soup, as a yogurt topper, or in your favorite smoothie.

Suggested Use:

Mix 1 Tablespoon (8.4 g) with juice, yogurt, add to your favorite smoothie or infuse into a tea.
