MUSCLE Ease™

Magnesium and **Potassium** are essential for healthy muscle function by supporting normal muscle contraction and relaxation.*

Alfalfa and **Dulse** are nutrient dense foods containing minerals required for normal muscle function.*

Skullcap, a member of the mint family, has a deep tradition in Western herbalism as a gentle supportive herb for relaxation.**

Angelica root and **Chinese peony root** share origins in China; together, they work synergistically to harmonize the body.*

* Ingredient claim is based on traditional teachings only. This product has not been clinically tested.

Store in a dry place at room temperature.

WARNING: Do not use if pregnant or nursing. If taking any medication, or if you have a medical condition, consult your healthcare practitioner before use. Keep out of reach of children.
