MAK-Trek® 3-D

All Probulin® products include the patent pending **MAK-Trek® 3-D** delivery system, to ensure that the beneficial probiotic bacteria have better survival in the body.

Lifestyle challenges, such as diet, normal aging, overuse of medications, stress, environment, alcohol consumption, and much more may all contribute to digestive imbalance of essential beneficial bacteria such as bifidobacteria.

Taking a daily probiotic is an important part of your routine.
