

All Probulin® products include the patent pending **MAKTrek® 3-D** delivery system, to ensure that the beneficial probiotic bacteria have better survival in the body.

Lifestyle challenges such as diet, normal aging, overuse of medications, stress, environment, alcohol consumption, and much more may all contribute to digestive imbalance of essential digestive bacteria such as bifidobacteria.

Taking a daily probiotic is an important part of your routine.

Probulin®

THE NEXT GENERATION OF PROBIOTICS™

BROAD-SPECTRUM DIGESTIVE SUPPORT**

TOTAL CARE PROBIOTIC + PREBIOTIC & POSTBIOTIC

20 Billion cfu⁺

Supports Digestive Health**

15 Probiotic Strains

12 billion cfu⁺ + 8 billion cfu⁺ from fermented fruits/vegetables

30 Capsules
Dietary Supplement

BROAD-SPECTRUM DIGESTIVE SUPPORT**

PREBIOTIC

Probulin's® **Total Care Probiotic** features our prebiotic, which acts as food for the probiotic bacteria.

PROBIOTIC

This product contains 12 billion cfu⁺ + 8 billion cfu⁺ from fermented fruits & vegetables, providing broad spectrum support to the digestive microbiome.**

POSTBIOTIC

Postbiotic is a term used to describe the abundant and unique compounds produced by the activity of probiotic bacteria. These unique compounds participate in supporting a healthy digestive microbiome.**

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS: Adults take one (1) capsule daily with or without food. For best results, take at bedtime. As a reminder, discuss the supplements and medications that you take with your health care providers.
