

Probulin®
GOES THE EXTRA
MILE TO ENSURE
— YOUR —
PROBIOTICS ARE

Alive **WHEN YOU:**

BUY THEM | TAKE THEM | DIGEST THEM

Our scientifically-validated **MAKTrek® 3-D** system includes a unique seaweed barrier to protect against stomach acid, prebiotic fiber for food, and electrolytes for hydration.

Probulin® Soothe contains 15 probiotic strains, plus peppermint menthol and Ginfort® concentrated ginger extract for optimal digestive support.*

For additional support, an advanced usage of four capsules over four weeks can provide the scientifically-studied level of Ginfort® concentrated ginger extract.*

Dietary Supplement

**BROAD-SPECTRUM
DIGESTIVE
SUPPORT***

PREBIOTIC

Food for the probiotic bacteria.

PROBIOTIC

15 billion cfu† of probiotics, including 4 billion cfu† derived from fermented fruits & vegetables.

POSTBIOTIC

Postbiotics are unique compounds produced by probiotic bacteria. They support a healthy digestive microbiome.*

for the standard daily serving

offers the scientifically-studied level of Ginfort®, which has been shown to support reduction of occasional digestive upset and may improve upper abdominal bloating, when used over 4 weeks.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS: For a standard daily serving, adults take 1 capsule daily with food. Four capsules offers the scientifically-studied level of Ginfort® ginger extract.* As a reminder, always discuss the supplements and medications you take with your health care provider.
