Deprezac™ is made with emotion balancing herbs, including St. John's Wort, Lemon Balm and Schisandra.* We apply our company philosophy to Deprezac™, as we do to all of our herbal medicines. That philosophy is to do what's right, which extends to choosing the right herbs, using the right processes and making the right formulations that support your health needs. We do all of this to bring you *herbal medicines made right™*.

Suggested Use: Take 30 drops in water three times a day for three weeks, then 30 drops in water twice a day for at least six months.

Caution: Do not use during pregnancy or while nursing. Do not use with HIV protease inhibitors, cyclosporine, warfarin, digoxin and other drugs. Do not use in bi-polar syndrome and/or for any other severe depressive states. Consult with your primary care physician if you are taking other medications.
