Traditional Four Herb Ojibwa Cleanse*

Concentrated and convenient.

Essiac Tonic stays true to the traditional four herb Ojibwa cleanse formula.* This liquid extract tonic has just the right proportion of each of these four herbs to provide you with the type of cleanse you expect from Herbs, Etc.:

- Burdock (*Arctium lappa*) root
- Sheep Sorrell (*Rumex acetosella*) herb
- Slippery Elm (*Ulmus rubra*) inner bark
- Chinese [aka Turkey] Rhubarb (*Rheum officinale*) root

Essiac Tonic is highly concentrated. This 2 ounce bottle equals up to 68 ounces of brewed, mixed or bottled tea. That's four 17 ounce bottles of tea.

Since Essiac Tonic is not a tea, it's convenient. There isn't any mixing, brewing or refrigeration needed. Take it in water or your favorite beverage.

The same concentrated and convenient traditional four herb Ojibwa cleanse formula is also available in a softgel.*

Herbal Medicines Made Right™

We apply our company philosophy to Essiac Tonic, as we do to all of our herbal medicines.

That philosophy is to do what's right, which extends to identifying and choosing the right herbs, using the right machines and processes and making the right liquid extracts to use on their own or as a key ingredient in our softgels.

We focus solely on providing you with the right active constituent-rich formulations that support your health needs.

Each herbal medicine is released only after it goes through rigorous quality control to ensure safety and satisfaction.

We do all of this to bring you *herbal medicines made right™*.
