

Nicknamed "The Pro Creator," Hany Rambod has been constructing championship-winning physiques for over 20 years while using his ground-breaking FST-7[®] training system. Rambod prides himself on bringing only quality innovations to his customers around the world. The formulations within the Evogen Nutrition supplement line are crucial to the success of any ultra-intense training program because of their effect on muscle growth, repair, and muscle volume.[†]

SUGGESTED USE: As a dietary supplement mix 1 scoop (15.72 g) of Amino K.E.M. with 12-16 oz. of cold water. Amino K.E.M. can be consumed before training, between meals, while training, or post-workout to boost your muscle repair and recovery. **KEEP REFRIGERATED AFTER OPENING.**[†]
