MAXIMUM > RECOVERY + POWER + FULLNESS

SUGGESTED USE: As a dietary supplement mix 1 scoop (13.3 g) of Cell K.E.M. with 12-16 oz. of cold water. Cell K.E.M. can be consumed before

training, between meals, while training, or post-workout to boost your muscle repair and recovery.

Cell K.E.M.® is a precisely formulated all-in-one recovery solution with ingredients designed to maximize muscle growth and

repair, while fueling recovery following high-intensity training. K.E.M. stands for Kinetic Expansion Matrix and this is the time-tested theory that drives this formula. Cell K.E.M.'s ultra-pure, ultra-potent and ultra-soluble ingredients, help accelerate the repair of damaged muscle fibers while maximizing muscle volume for a fullblown 3D effect. Cell K.E.M.'s cutting-edge formula

periods of extreme dieting. Cell K.E.M. is one of the most complete muscle building and recovery catalysts ever formulated.

utilizes creatine nitrate to help maximize the speed of amino acid transport while maintaining muscle fullness, even during NO ARTIFICIAL
