

0220212EXP02/25

Killer Bees™ is a dietary supplement engineered to amplify fat burning and help curb appetite.*

Suggested USE: Due to the strength of KILLER BEES please assess your tolerance by initially taking only 1 Serving (1 Capsule) upon awakening for the first 3 days. After assessment, if effects last longer than 15 hours, consider alternating dosage to every other day. Do not take within 6 hours of bedtime.

WARNING: DO NOT USE IF PREGNANT, NURSING, OR UNDER THE AGE OF 18. Do not use for more than 8 weeks. Consult with a healthcare practitioner before taking this or any dietary supplement, especially if you have or suspect you may have a medical condition, including but not limited to heart, liver, kidney or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood pressure, cardiac arrhythmia, recurrent headaches, enlarged prostate or glaucoma; or are taking ANY medications, including but not limited to MAO inhibitors, antidepressants, aspirin, non-steroidal anti-inflammatory drugs, or products containing phenylephrine, ephedrine, or pseudoephedrine; or over the counter products or other dietary supplements. Use only as directed. Do not exceed recommended serving, as doing so may increase the risk of serious health effects and will not improve results. This product contains approximately 350mg of caffeine per serving, and may not be appropriate for caffeine-sensitive individuals. Do not consume with any other stimulants, including caffeine or synephrine, from other sources such as coffee, tea, soda or other dietary supplements, or medications. Immediately discontinue use and contact your healthcare professional if you experience any adverse reaction to this product, including but not limited to rapid heartbeat, dizziness, severe headache or shortness of breath. Discontinue use 2 weeks prior to surgery. Do not use if safety seal is broken or missing. Store in a cool, dry place. KEEP OUT OF REACH OF CHILDREN.
