

USAGE: Take 2 softgels per day or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Sabalselect® Saw Palmetto (*Serenoa repens*) berry extract is standardized to contain 85-95% of the active fatty acids and sterols, including beta-sitosterol, which support prostate health.*

Jarrow Formulas® Saw Palmetto is a supercritical CO₂ extract. The supercritical CO₂ process yields higher concentrations of biologically active free fatty acids than ethanolic (alcohol) extracts.

Jarrow Formulas® Saw Palmetto Extract is in a base of **Pumpkin Seed Oil** and fortified with **phytosterols**.

This product complies with European and proposed USP Monographs for Saw Palmetto.

Keep out of the reach of children.
