

SUGGESTED USAGE: As a dietary supplement, take 2 capsules daily, preferably in divided doses, or as directed by your healthcare practitioner.

HOW IT WORKS: Ortho Thyroid™ has been carefully formulated to naturally support thyroid and glandular activity, which are key factors to support optimal brain function and the production of energy.* With L-Tyrosine and Iodine, the two constituent nutrients of thyroid secretions, combined with specific B vitamins, zinc, selenium, and other trace minerals, this formula represents a comprehensive nutritional supplement for the support of healthy thyroid function.* Guggul and Ashwagandha extracts have also been included to complement the nutritional component of this formula.*

CAUTIONS/INTERACTIONS: If currently taking any thyroid medications, levodopa, methylphenidate, SNRIs, bupropion, warfarin, or MAO inhibitors, consult your healthcare practitioner prior to use. L-Tyrosine is contraindicated in those with the inborn errors of metabolism, alkaptonuria and tyrosinemia types I and II. Not intended for pregnant/nursing women. If you have a thyroid disorder, consult your healthcare practitioner prior to use. For more information on this product go to www.protocolforlife.com/P3368
