

Improve Joint Health and Mobility*

Joint Health™ is a synergistic blend of nutrients to support optimum joint health and mobility. Potent herbal extracts of Turmeric, Boswellia, Devil's Claw, Ginger, Nettle Leaf, Yucca and Soy Isoflavone provide fast acting relief. The highly optimized calcium mineral complex helps restore acid/alkaline balance to reduce the release of hydrolytic enzymes by synovial cells. Glucosamine, MSM and Hyaluronic Acid lubricate joints and help repair cartilage and other synovial joint tissues. Use of the HCl form of glucosamine avoids calcium-sulfate interactions. Avoid taking with chondroitin or other sulfates. This is a full multi-vitamin, multi-mineral, trace mineral formula. For the first 30 days take up to 6 capsules at one time and up to 12 per day for faster relief.*
