

Papaya has been cultivated for centuries for its amazing health benefits. Papaya leaves contain the enzymes papain, chymopapain and fibrin that aid digestion* and promote blood platelet function*.

With its high degree of absorption and bio-availability, our organic papaya leaf glycerin-based extract is made only from premium quality papayas.

**100% Women Owned,
10% of Profits & Ethical trade**

QUALITY

We Only Use The Best

Made from the highest quality herbs, our products are tested to the highest standard by 3rd party certifiers.

IMPACT

We Do Right By Others

We believe in business for social good and give 10% of profits to support the education of African girls.

SUSTAINABILITY

We Respect Mother Earth

We believe in the environment and support our farmers through fairtrade practices.
