

Suggested Use:

As a dietary supplement, mix 1-2 scoops of Gorilla Mode Nitric in 12-14 ounces of water and consume 30 minutes prior to training. Vary the amount of water to achieve your desired flavor level. First time users should begin use with 1/2-1 scoop or less to evaluate tolerance. DO NOT EXCEED 2 SCOOPS IN ANY 24 HOUR PERIOD.

Warning:

KEEP OUT OF REACH OF CHILDREN.

This product should not be taken by individuals who are pregnant, nursing, have or suspect a medical condition, are taking any medications or are under 18 years of age. Consult a physician before taking this or any other dietary supplement. Do not use this product with PDE5 inhibitors, nitrites, or other blood pressure lowering medications and/or supplements. Store in a cool, dry place.
