

OILSMART™ OMEGA-3-6-9

Advanced Total-Body Omega-3-6-9 Blend from Organic Cold-Pressed Flax, Cold-Pressed Borage & Purified Cold-Water Fish Oil

- Promotes Healthy Heart & Immune Function*
- Supports Healthy Skin, Joints & Mood*
- Lipase-Enhanced Digestion

What are Essential Fatty Acids?

Essential Fatty Acids such as Omega-3 and Omega-6 are considered "essential" because they are needed by the body for optimum health, yet they cannot be manufactured within the human body and must be acquired through the diet.

Although not considered essential (as the body can produce limited amounts on its own), beneficial Omega-9 also plays a key role in supporting and maintaining optimum health.*

Omega-3-6-9:

- Help soothe and lubricate the bowel, easing elimination*
- Nourish active tissues such as the brain, heart, eyes and kidneys*
- Support healthy immune function and nervous system function*
- Help maintain circulatory health and healthy metabolism*
- Support brain health and development*
- Promote a positive mood*

What is different about OilSMART?

The typical diet is rich in some fats and low in other, healthier fats. OilSMART's unique ratio of beneficial fats can help balance the equation. OilSMART also contains the fat-digesting enzyme lipase. Other fish oils often cause a fishy "repeat" due to poor oil digestion. With OilSMART, lipase helps to break down the oils and make them easier for the body to absorb, in turn helping to ensure fewer fishy burps and less aftertaste and repeat.*

Lipase Fat-Splitting Enzyme
Enhances the digestion and absorption of Omega-3 oils

Oil droplets
in bile

3 minutes after
adding lipase enzyme

From a study conducted at Colorado State University, these photographs show how lipase works.

1. Bile salts in your digestive system break down the oil droplets into smaller droplets.
2. Lipase, the fat-splitting enzyme, helps split these fat molecules into their components, removing fatty acids from their glycerol base, so they can be transported through the intestinal wall.

OilSMART was formulated by Brenda Watson, C.N.C., president of ReNew Life Formulas and the founder of natural healthcare clinics specializing in natural digestive care.

Available in 60, 90 or 180-ct.

Supplement Facts

Serving Size: 3 Softgels
