

USAGE: Take 2 capsules daily with food, or as directed by your qualified health consultant.

NOTE: Do not take this product if you are pregnant or nursing. Persons facing surgery, having bleeding problems or undergoing other treatment which may affect the ability of blood to clot - especially anticoagulant (blood thinning) therapy - should not take this product. Persons taking medication should consult their physician before taking Ginkgo Biloba.

This product contains GinkgoSelect™ which is produced by a patented, multi-phase extraction process resulting in a standardized 24% ginkgoflavonglycoside (or heteroside) and a minimum of 6% terpene lactone extract. Ginkgolides A and B are the most active fractions. Ginkgo Biloba has a wide range of beneficial effects, including circulatory and antioxidant protection.*

Keep out of the reach of children.
